

# Finance Committee - situation vacant!

Would you like to take up a new and exciting opportunity to become involved at a Region level as a member of the Finance Committee? We are looking for a new committee member interested in supporting the work of this important Region committee.

## Who are we looking for?

We are looking for a Girlguiding member aged over 18 who is comfortable with numbers and has some experience in dealing with finance, which could have been acquired across one of a wide variety of fields. We would particularly welcome nominations from young members in their twenties or early thirties, to bring that perspective to the committee's discussions.

This is a great opportunity to add to your CV. It will be of great benefit if you:

- have previous relevant experience and want to brush up your skills in readiness to re-entering employment
- are in a specialist role and want to broaden your experience
- are studying for a qualification in the finance area

The role is a Region appointment and we'll provide a full induction.

## What does the committee do?

The Finance Committee carries out detailed scrutiny of the financial affairs of Girlguiding Anglia across all its areas of operation, including Hautbois and Retail. It is a sub-committee of the Anglia Executive, and works closely with the Region CEO and Region Finance Manager.

The work of the Finance Committee includes recommending an annual budget for the Region to the Anglia Executive that will enable the delivery of the Region's business plans and advising the Executive on the level of Region subscription required each year. It carries out detailed monitoring of income and expenditure in-year, and reviews the Region's Annual Accounts. [Click here](#) to download the full Terms of Reference.

You will be one of eight voting members and will serve for a term of three years.
