## International Community Experience Weekends 2018 For Guides aged 11-13

### What is it?

International Community Experience (ICE) provides Guides with opportunities for personal development through Community Action, linked with a taster for international experiences within Girlguiding. Guides should attend this weekend and after this, they will be offered part two, going further afield. Part two will enable Guides to go away using their passport and undertake community action in a different area outside of Anglia.

This is a Girlguiding event and throughout weekends, we promote Guides getting to know others, healthy lifestyles, celebrating diversity, global awareness, discovery, skills and relationships
