

Volunteer is required to upload their certificate, syllabus and the Girlguiding check list on the learning platform

Region 1st response verifier checks the volunteer's upload.
Region verifiers may confer but only one will sign off the external training

Does the external training meet Girlguiding's requirements in full?

The verifier will leave feedback on the learning platform.
It is the volunteer's responsibility for checking if feedback has been left.

The training does not meet the requirements

Unless more info is easily available, the volunteer is asked to complete a Girlguiding 1st response course. Please note, it is the responsibility of the volunteer to provide information not for the verifier.

Check your county website for Girlguiding 1st response courses.

Some elements are missing

The volunteer completes recommended reading and/or completes additional training

Yes

The verifier signs off the training on the learning platform

The learning platform syncs to the volunteer GO record and marks it as complete.
