

Two young girls are shown from the chest up, wearing white Petzl climbing helmets and yellow safety harnesses. They are looking down at something in their hands, possibly a rope or a piece of equipment. The background is a blurred green forest.

'I had never climbed before. I was scared of heights. But I climbed and rang the bell all by myself and felt really proud of myself'

Poonam

A collection of colorful cartoon icons is scattered around the central text. On the left, there's a blue circle with a wide-open mouth, an orange circle with a laughing face, and a purple circle with a surprised face. On the right, there's a white paint palette with various colored dots and a paintbrush. At the bottom left, there's a green frog and a wooden signpost with two arrows. At the bottom right, there's a large green leaf.
