

Dear volunteers, each year we ask every member, both volunteer and girl, to pay a membership subscription. Without subscriptions, we couldn't support you, our amazing volunteers, to inspire girls to know they can do anything. So, thank you for your continued support and dedication to Girlguiding.

At Girlguiding Anglia, our main income is our membership subscription. We know that our offer makes a huge difference to all our members, helping them to develop life skills whilst having fun and adventures.

To agree our subscription figure for 2025, we've taken into consideration our delivery, resources and charity needs. We've continued to maximise our investment in our overall charity and ethical investments to keep this subscription levy as low as possible.

This year, by utilising our reserves, we have a subsidy of £1.60 per head. This is distributed across the whole of Girlguiding Anglia, to enable the region to minimise any increases to the levy, which for 2025 stands at £14.50 per head. If you have concerns about paying your unit's subscription invoice, please contact your local commissioner, as help is available.

Girlguiding UK membership subscription: £33 per head

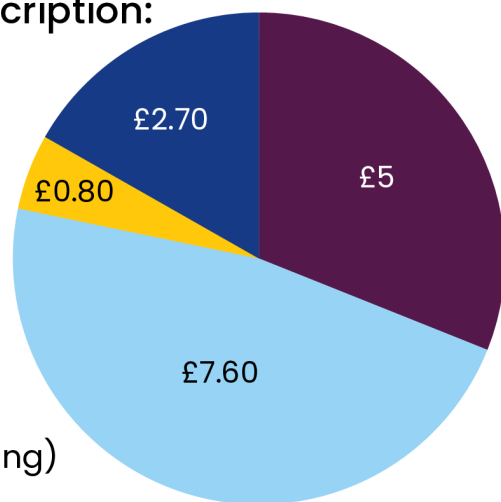

The breakdown for how Girlguiding's subscription levy is used is available on their website.

bit.ly/4dBwZUK

Girlguiding Anglia membership subscription: £14.50 per head

The breakdown is as follows:

- Support for girls and volunteers (including keeping volunteers safe)
- Giving girls a voice
- Investing in our future (including environmental sustainability projects, supporting Hautbois and preserving the estate for future generations of Girlguiding)
- Effective charity management

Girlguiding Anglia cost per member: £16.10

Subsidy from reserves: £1.60

Subsidised Anglia membership subscription for 2025 per member: £14.50

County levy

The overall amount each member pays is made up of different levies. Girlguiding HQ set a levy, as does Girlguiding Anglia, your county, and your division and/or district. This makes up the full subscription you pay annually in February.
