

Subscriptions 2026

Anglia's levy announcement

Dear volunteers,

Each year we ask every member, both volunteer and girl, to pay a membership subscription. Without subscriptions, we couldn't support you, our amazing volunteers, to inspire girls to know they can do anything. So, thank you for your continued support and dedication to Girlguiding.

Over the last year, we have focused on supporting our volunteers in building confidence in financial knowledge. We have run workshops on fundraising and helping you to be confident that your unit will be able to do everything you have planned.

Did you know you can also claim Gift Aid on subscriptions? Gift Aid is a great way to bring in additional income to your unit as you can get an extra 25p for every £1 you receive.

There is a wealth of information on the Girlguiding website around setting budgets, keeping account records and managing your year end which can be found at: girlguiding.org.uk/information-for-volunteers/running-your-unit/finance-insurance-and-property/unit-financees/

More information around Gift Aid can be found at: girlguiding.org.uk/information-for-volunteers/running-your-unit/finance-insurance-and-property/subscriptions/gift-aid-on-subs/

We also have a fabulous finance team here at Girlguiding Anglia who are happy to help you with any support or queries. Please feel free to email them at financeenquiries@girlguiding-anglia.org.uk.

This year, by utilising our reserves, we have a subsidy of £2.00 per head, distributed across the whole of Girlguiding Anglia to enable the region to minimise any increases to the levy. This stands at £16.00 per head for 2026 and takes into consideration our delivery, resources and charity needs. If you have concerns about paying your unit's subscription invoice, please contact your local commissioner as help is available.

£16.00 per head

Girlguiding Anglia cost per member: £18

Subsidy from reserves: £2

Subsidised Anglia membership subscription for 2026 per member: £16

Girlguiding UK membership subscription: £36

The breakdown for how Girlguiding's subscription levy is used is available on their website here:

girlguiding.org.uk/information-for-volunteers/running-your-unit/finance-insurance-and-property/subscriptions/an-overview-of-subs/

County levy

The overall amount each member pays is made up of different levies. Girlguiding HQ set a levy, as does Girlguiding Anglia, your county, and your division and/or district. This makes up the full subscription you pay annually in February.
