

Wise Owls Campfire

There once was a Owl that lived in Bramble Wood. She was called Wise Owl as she seemed to know everything about the big wide world. Bramble wood was full of lovely old oak and sycamore trees . The wood seemed to stretch as far as the eye could see.

There are other animals that also live in Bramble Wood. Rebecca Rabbit , Molly Mole , Suzy Squirrel and Fiona Fox. Rebecca Rabbit had long pointy ears , soft brown fur and a very fluffy white tail. Molly Mole has a pink nose , no fur but can find her way around just by using her nose. Suzy Squirrel has grey fur, a long tail and able to climb trees in a matter of seconds. Fiona fox also has a very long tail , and thick orange fur and is able to run through the forest at lightning speed.

One day whilst flying through the woods Wise Owl decided to organise a campfire for everyone in Bramble Wood. She visited everyone in Bramble wood to tell them about her plan for her campfire and that they would all receive an invitation in the post inviting them to the campfire.

Rebecca Rabbit did not receive her invitation to the campfire so she hopped on over to Wise Owls Tree to see if her invitation maybe got lost in the post. Wise Owl said no Rebecca Rabbit you're not invited to the campfire because your ears are too pointy. Rebecca Rabbit then hopped back home feeling very very sad that she was not invited to the campfire.

Molly Mole did not receive her invitation either to the campfire so she burrowed her way over to Wise Owls Tree to see if her invitation maybe got lost in the post. Wise Owl said no Molly Mole you're not invited to the campfire because your nose is too pink. Molly Mole then burrowed her way back home feeling very very sad that she was not invited to the campfire.

Suzy Squirrel did not receive her invitation either to the campfire so she scurried her way over to Wise Owls Tree to see if her invitation maybe got lost in the post. Wise Owl said no Suzy Squirrel you're not invited to the campfire because your able to climb trees quicker than me. Suzy Squirrel then scurried back home feeling very very sad that she was not invited to the campfire.

Fiona Fox did not receive her invitation either to the campfire so she ran over to Wise Owls tree to see if her invitation maybe got lost in the post. Wise Owl said no Fiona Fox you're not invited to the campfire because your fur is too orange. Fiona Fox then ran back home feeling very very sad that she was not invited to the campfire.

That evening Wise Owl sat round the campfire all alone wondering why no one came to the campfire. Then she remembered speaking to Rebecca Rabbit , Molly Mole , Suzy Squirrel and Fiona Fox earlier that day and remembered what horrible things she said to them. She suddenly thought why does it matter how pointy someone's ears are, how pink someone's nose is , how much quicker someone climb a tree or how orange someone's fur is ? What matters is that we all come together no matter our differences to learn and have fun. Wise Owl flew across Bramble wood and apologised to Rebecca Rabbit , Molly Mole , Suzy Squirrel and Fiona Fox. The rest of the night they spent sat around the campfire , singing songs , toasting marshmallows and having fun. Wise Owl from that day on knew that each other's differences did not matter and should not stop anyone from joining in.
