

Do something amazing while you study

**Share everything that's awesome about
you with the women of the future**

'The things I have achieved through
Girlguiding have helped me secure a
place at university and helped me
when applying for placement jobs.'
(Ann, 22)

**No matter how much
time you have to give,
there's an opportunity
for someone who's as
awesome as you.**

Whether you're new to
Girlguiding or have been
involved for years, we offer
students like you lots of fun,
challenging and inspiring
opportunities that can fit around
your studies. If you're looking to work
with young people, gain volunteering
experience or develop skills from first aid
to peer education, it's time to get involved.

**You're awesome,
→ pass it on**
