With an exciting partnership to support the event (more on this in the near future) and some truly great activities, we're sure you'll want to get involved, so head over to our website for more info. World Thinking Day 2019

Every year, World Thinking Day has a different theme that Girlguides and Girl Scouts around the world can learn about and take action on.

The World Thinking Day 2019 theme is Leadership and is dedicated to the group of girls who took the lead in 1909 and demanded Lord Baden-Powell create 'something for the girls'. Use the WAGGGS resource to embark on an adventure through time. You will learn about the history of our Movement, and practise leadership through the chances and choices of our present and future. Be prepared for an exciting adventure!

Share your adventures and activities via social media using this year's hashtags #WTD2019 and #TimeToLead and we'll make sure to keep an eye out for everything you're getting up to with your units.
